FLOOD WATERS INVADE CAMPBELL AREA STORES

MERCHANTS ASK CUSTOMER BALLOTS ON SHOPPING NIGHT PREFERENCE; AWARDS TO BE DISCONTINUED

Merchants who have been participating in the Friday night Campbell shopping program voted this week to continue to remain open on Fridays until 9 p.m., but to discontinue the merchandise awards.

In addition, the group moved to ask customers for their preference in shopping nights. In line with this program, the merchants will distribute printed questionnaires to their customers, requesting that they indicate on the cards their shopping night preference.

Friday night opening will be continued until results of the customer ballots are known.

Winners of last week's merchandise awards are Pearl Barnwell, General Delivery, Campbell; Wesley Hanker, 648 Crockett Avenue, Campbell, and Hazel Friar, Campbell Theater.

R. B. HUMMEL ENDORSES NIXON FOR SENATE

In an endorsement of Richard Nixon for U. S. Senator, R. B. Hummel of Union avenue declared today that he is supporting Nixon on the basis of his record.

"I examined Nixon's record in Congress and that of his opponent and I had no trouble in deciding which one to support," Hummel said. "We need more patriotism and more common sense in Washington, and I believe, on the basis of Nixon's record, that he qualifies on both counts."

Hummel and Joseph Feit, 110 N. Carlyn Street, are co-chairmen of the Nixon-for-U.S. Senator Committee of Campbell and Union district. John E. Longinotti of San Jose is general chairman of the Santa Clara County Committee for Nixon.

Nixon was elected to Congress in 1946 as result of a draft by 100 citizens in the Twelfth Congressional District. This group of citizens, dissatisfied with the representation this district was receiving in Congress, looked for a new candidate without obligations to anyone, selected Nixon, got him nominated and helped him win the election.

During his freshman term in congress, he established a reputation as one of the ablest young legislators in Washington. He sought difficult jobs, became a member of the Herter Committee which went to Europe in 1947 to gather evidence on the European Recovery program and became chairman of the Legislative Sub-Committee on Un-American activities. He generally is credited with breaking the Chambers-Hiss case.

Among major issues for which Congressman Nixon has voted and continues to stand for are: strong national defense; lower taxes and more take home pay; California ownership of tideland protection of California's water rights; stimulation and protection of small business; Taft-Hartley Act with Wood Amendments; development of western mining; Central Valley project without 160-acre limitation; reciprocal trade treaties with adequate protection of American labor, agriculture and industry; real jobs for unemployed; sound national pension system; reorganization of government agencies; veteran benefits; support of California agriculture; cutting bureaucratic control and waste; and positive consistent foreign policy to halt the spread of world communism.

Finishes Training

Pfc. Donald J. Adams, son of Mr. and Mrs. Herold F. Adams, has finished Air Force training at Lackland Air Base and has been assigned to Keesler Field, Mississippi. There he will take 36 weeks of training in the radio and radar school. Adams, who has had six years of service in the army, re-enlisted in the Air Force last month.

CTA DELEGATES ATTEND CONFAB FOR BAY DISTRICT

Five delegates of Campbell Teachers Association are attending a conference to be held this weekend at Asilomar for leaders of the Bay Section of California Teachers Association.

The conference is for the purpose of training officers and committee heads of the Bay Section of C.T.A. Members for Campbell attending are Thelma Wathen, president; Calvin Roll of the Professional relations committee; Angie Perry, public relations committee; Allene Seese, legislative committee, and Dick Gordon, finance committee.

The conference began with a dinner this evening and will continue through Sunday noon.

Organizations Send Delegates To C of C Board

Four local organizations have already named representatives to the Campbell Chamber of Commerce board of directors, Secretary-manager Forrest Reese announced today. These are Orchard Grange, Judge Martin S. Walsh; Junior Chamber of Commerce, Donald B. Gracier; Garden Club, Mrs. Barth O'Brien; Business and Professional Women's Club, Thelma Solari.

Seven organizations have still to name representatives, including Rotary Club, Kiwanis Club, American Legion Post, Veterans of Foreign Wars, San Tomas Men's Club, San Tomas Improvement Club and Cambrian Men's Club.

Reese also announced that the board has accepted resignation of director William Maderis and has approved appointment of Mario Saia to fill the unexpired term.

Fruitdale Residents Protest Garbage Dumping Practice

Residents in the Fruitdale Avenue section have filed petition with Santa Clara County Planning Commission protesting use of the property at Fruitdale Avenue as a garbage dump by San Jose Sanitation Service. Property is owned by San Jose Brick and Tile Company.

The property on the Burbank district-Campbell line has been used for the past week for garbage dumping, according to another protest, this from Hyatt Construction Co.,b uilders of the adjacent Sherman Oaks subdivision. The company declared the garbage has been allowed to remain uncovered in pits for two hours at a time, attracting flies and other insects.

Besides the 300 petitioning residents and the Hyatt Company, protest arose from another source—Westside Improvement Association called a protest meeting for 7:30 tonight at Burbank School. President John Linn, who will preside, stated the property being used for garbage dumping is in the center of one of the fastest growing reidential and commercial districts in the entire county.

The brick company land is not far from County Hospital grounds, and is also near site of the future San Jose Tech High School and Junior College.

MERCHANTS ANGERED BY INACTION OF CHANDLER AS STORM SEWERS BACK UP IN WINCHESTER ROAD-CAMPBELL AVENUE SECTOR

Campbell merchants at the Winchester Road-Campbell Avenue section were up in arms this week over flood conditions which threatened their stocks and interfered with business.

The trouble began with Wednesday night's rain which created a lake and set waves of water rippling through doors of shops both at the corner and along Campbell Avenue up to Fourth Street.

One of the hardest hit was Maderis Market, where sandbags were stacked to hold back the flood. Karl Bohnett, owner of corner business properties including the market, service sttation and Five Spot restaurant, reported that the only store which was not invaded by the waters was the What Not Shop where the lake crest was some two inches below the door sill.

Thursday night's downpour sent the flood waters into the market as far as the check stand, M&M Ice Creamery and Hubert's Furniture fought the tides to little avail.

Bohnett declared this is a repetition of last year's trouble, and is due to inadequate storm sewer provisions in the area. Present drain lines were installed 10 years ago,h e said. "Since then new pavement has been installed and the area has grown. The line now receives storm waters from Winchester Road, north and south of Campbell Avenue and all the way from First Street, The 12-inch line is not enough. The Milton Avenue sump also backed up when it couldn't carry off the storm load, and the water was over the curbs there.

"We have offered Mr. Chandler (County Surveyor and Road Commissioner Robert Chandler) several suggestions, but nothing has been done. We asked him to do something last year, too," Bohnett stated.

Maderis said Chandler maintained the line is probably clogged up by foreign matter, but maintenance men from the local supervisorial district were sent out to study the situation last year and found no plug up in the line.

"Chandler took the same attitude as last year when we contacted him Wednesday night," commented Bohnett. "He said he'd take the matter under advisement."

When contacted by the Press today, Chandler agreed that some action is required to correct the flood situation. "Those pipes were put in in '37, I believe it was, and they are too small for the volume of water coming down now. They were not designed to take a quarter of an inch of rain every 15 minutes. Under ordinary conditions they would operate satisfactorily.

"Something is going to be done," he promised. When pressed for somtheing more definite as to when, the official said he had discussed the matter with Maderis and told him it couldn't be done in 15 minutes. "I don't know whether the supervisors will go along with me on this, yet.

"Something of a temporary nature, perhaps, can be done, but the situation has to be studied. I can't predict the weather."

Asked what will be done about the matter, he said somebody from his department will be sent to look the situation over.

Again pressed for something definite as to when the merchants can hope for lower flood waters, Chandler replied, "Yes, I'm going to act this year. Whether it will be temporary or more substantial I am not in a position to state at this time."

Legion Patrol Asks County To Pay Bonds

Request that the county assume cost of $5 surety bond premiums for each of the 21 members of the Campbell Legion Patrol was received by the County Board of Supervisors last week. Rex Kaber, patrol lieutenant, submitted the request in a letter to he board.

Kaber pointed out that patrol members are volunteers, contributing 250 man hours and 1000 miles of patrol coverage by car each month. He said gasoline and insurance funds were contributed by the public.

Referring to the proposed Campbell Police Protection District, Kaber said that if it is established the patrolmen will continue to function as auxiliary officers. He added that the patrol also works with the county sheriff and California Highway Patrol.

Supervisors referred the request to County Counsel Howard W. Campen for an opinion.

Storm Winds Break Store Windows

It was a wet day for J&A Thursday. The big blow at shortly after 3 p.m. yesterday left the Campbell Avenue market gaping —wide open in three places for the wind, in a terrific wallop, flattened three large plate glass show windows, bringing stiff breezes to the vegetables and cold winds to the hot sauce.

Nothing daunted, the Fusaro Bros., Joe and Al, sent posthaste for lumber to board up the expostures and cover the Venetian blinds which were flapping frenetically in the gale. The Fusaros estimated damage at $450.

Moreland School Carnival Slated Tuesday Night

Moreland School grounds will be the setting for a carnival Tuesday evening. Many events for adults and children have been planned. Parent-Teacher Association members will serve dinner from 5:30 p.m. on.

Moreland Recreation group is planning a special event, and the Men's Club will operate the bingo game. Awards for costumes will be given to adults and children.

Games of skill and a fish pond have been planned for the youngsters, plus a puppet show which will be presented several times during the evening. Also on the program is a short play by PTA members. This will be "Egbert To the Rescue." Children of the primary grades will present a skit.

Booths for sale of needlework, homemade foods, cake, coffee, hot dogs, soft drinks, ice cream and popcorn will also be in operation.

Topping the evening's entertainment will be a spook house in the old school building, where patrons are guaranteed a standup hairdo.

The public is invited to attend.

NEW SORORITY MEMBER

JEANETTE GOMES, daughter of Mr. and Mrs. Joseph V. Gomes, was recently initiated into Alpha Omicron Pi, national sorority, at San Jose State College. Miss Gomes was pledged in the spring quarter of 1950. Following the initiation ceremonies held at the chapter house, the new initiate was honored at a dinner held at Lucca's in Santa Clara, Jeanette is a sophomore at State where she is majoring in education, and taking a minor in music.

Political Scene: Nixon and Gubser Boosted; Republicans Warned Against Over-Optimism

H. M. Shadle Heads Committee Supporting Gubser For Assembly

H. M. Shadle, retired Campbell business man who is chairman of the Campbell Gubser-for-Assembly committee, today announced membership of the 12-man local committee, and endorsed Charles Gubser as "especially fitted for the post of 29th District Assemblyman by background, training and sincerity of approach to the problems of government."

Gubser, a Gilroy farmer, businessman and civic leader who still resides on the Frazier Lake road farm where he was born 34 years ago, is seeking the Assembly post being vacated by John F. Thompson.

The Campbell Gubser-for-Assembly committee is one of a group of similar Gubser committees organized throughout the District, according to Clark L. Agler, of San Jose, general chairman of the Gubser-for-Assemblyman Committee in 29th District.

Local Committee

Members of the Campbell committee include Eugene W. Barnes, Karl Bohnett, J. M. Dahl, Carl Field, R. B. Hummel, Homer Hyde, Ralph Hyde, William N. Lloyd, Forrest Reese, Mario Saia and Frank L. Steindorf.

"I believe Charlie Gubser is the man to represent 29th District interests in Sacramento," Shadle said today. "I'm especially impressed by his sincerity of approach to the problems of government now before us. He isn't pulling his punches—he comes out straight, telling us he's for a measure or against it.

"Gubser is qualified for the job by both background and training, and he will bring special knowledge to the problems of agriculture and education since he is a successful farmer and a former teacher."

Campbell Man On Honor List

Kieth F. Pritchard of Campbell is among 32 students at the University of Santa Clara who have been placed on the university president's Honor Roll for the 1949-50 school year.

RECONCILIATION

Elizabeth J. Lawler's divorce from Clifford O. Lawler, 725 Audrey Avenue, Campbell, was set aside last week by Judge Byrl R. Salsman upon application of Mr. and Mrs. Lawler who reported they have been reconciled.

CARL E. SCHOLZ VICE-PRESIDENT OF CABLE CORP.

Carl E. Scholz, former Campbell resident, has been appointed vice-president and chief engineer of All America Cables and Radio, Inc., and The Commercial Cable Co. Announcement was made this month by Ellery W. Stone, president of American Cable and Radio Corporation, parent company.

Scholz was born in Campbell and attended local schools and Stanford University. He is the brother of Carl and Anna Scholz and son-in-law of Anna Sawyer and the former Merna Sawyer.

American Cable and Radio Corporation, which provides worldwide service by both cable and radiotelegraph is an affiliate of International Telephone and Telegraph Corporation, with which Mr. Scholz has been associated since 1917, when he joined Federal Telegraph Company as an engineer.

Del Mutolo Gains Veteran Support

Campaign committee for R. O. Del Mutolo, candidate for assemblyman from the 29th District has announced that many veterans in the county are supporting the candidate in the belief that a person who does his duty in wartime is apt to do it again in ime of peace.

Del Mutolo's war record with the Seventh Infantry Division in the South Pacific and the Aleutians, his experience in the State Legislature, and his background as a successful small businessman, provide the candidate with under standing needed for the job, the veterans declare.

WATERS RAPS OVER-CONFIDENCE IN GOP CIRCLES

Unjustified over - confidence about outcome of the November 7 elections is hurting chances of success for Republican candidates throughout California, Laughlin E. Waters, vice-chairman of the Republican State Central Committee, said today.

Waters, who just completed an intensive two-week survey of the political situation in 40 of the state's 58 counties, said "While I found the prospects of success to be reasonably encouraging, any supporter who believes the Republicans have the election in the bag is just plain crazy. The thing to remember is that no matter how good the campaigns look, the time to celebrate an election victory is after the votes are counted.

"'The campaigns on behalf of Governor Earl Warren, Richard Nixon for U. S. Senator, Edward S. Shattuck for Attorney General and the Republican candidates for Congress and the State Legislature appear to be in fairly good shape, although there are some weak spots. However, there are far too many Republicans who are overconfident. They are not taking the necessary degree of active interest in the campaigns. They are depending on someone else to assume the responsibility of doing the job. The result is that the job is not getting done properly," Waters declared.

The GOP leader stressed that a great deal of work must be done on behalf of Republican candidates before election day. "My outstanding impression as the result of talking with people throughout the state is that Republicans are dangerously near the same kind of over-confidence that preceded the defeat of our presidential ticket in 1948. This is reflected by the fact that there is not a single area in the state where campaign committees for Republican candidates have received enough contributions to support an all-out drive during these important final days before the election. It is also reflected in the general shortage of volunteers for campaign work, especially the door-to-door precinct workers," Waters emphasized.

Attorney Richard Morton Asks Yes Vote For Proposition Three In Rotary Talk

A "Yes" vote on Proposition Three this November 7 was urged by Campbell Attorney Richard Morton who spoke before local Rotarians Monday noon.

This proposal to revamp the state's lower court system will provide an end to confusion and waste and give the people a simplified, uniform and efficient court system, Morton told the club.

Under this plan the courts will be kept close to the people, he said. Proposition Three provides for division of counties into judicial districts; provides two types of lower courts—municipal for districts with populations over 40,000, justice for districts with a lesser population; provides for election of the judges by the people of the district; provides for a flexible court structure by giving the legislature power to make such additional provisions as are needed.

Morton said that in some justice courts the judge is now paid on the number of convictions he records. In other cases, the arresting officer frequently cites an offender to a judge with a reputation for stiff sentences if he believes the culprit to have been especially unlawful, otherwise the offender is cited to a more lenient judge.

Passage of the measure, he added, will upset the present judicial system, but present judges will be blanketed in under the new law pending the next election. Locally, Morton pointed out, it probably will mean that the Campbell and Saratoga justice courts will be made one.

Henry Congable, who has been ill for some time, was welcomed back by the members.

Alex Stepovich, student body president at Campbell high school, was a guest at the meeting.

Next week the head of the County Welfare office will speak on functions of his office.

Bus Damaged As Road Collapses

A Peerless Stages bus took the count last night out in the San Tomas district when pavement on Hacienda Avenue collapsed under its weight. Heavy rains had washed out fill beneath the road surface.

Robert Bartholdi, district manager, said the bus was discharging a passenger at Hacienda Avenue and Santa Clara-Los Gatos Road about 8 p.m., when pavement under the left rear wheel suddenly sank about a foot and a half. The bus was nearly empty, and nobody was hurt. Axle of the vehicle was broken and the bus had to be towed away.

Bartholdi explained that a PG&E ditch along the road had apparently not been filled in properly. When the bus stopped to discharge the passenger, the weakened pavement gave way.

CHRYSANTHEMUM SHOW

Campbell Garden Club, Inc., will have its annual public fall flower show next Wednesday, November 1, at the Campbell library hall. The show will be open from 1 to 9 p.m.

The public is invited to exhibit blooms in the show. Entries must be in the hands of the show committee by 10:30 a.m. Wednesday. In addition to list of committee members published last week, Mrs. Ray Prince is chairman of the miniature plants division.

Mrs. George H. Kolze is chairman of the event which will feature the following divisions: Chrysanthemum specimen bloom; arrangements of chrysanthemums; potted plants, non-competitive plants and plant material.

NAL DEFECTIVE

SAN TOMAS PTA FETES FACULTY; W. C. HENLEY TALKS EXPANSION

An informal tea honoring Mr. William A. Shuey Jr., principal, and the faculty of San Tomas School was given by the Parent-Teacher Association Thursday afternoon, October 19. There was a record attendance of 103 persons at this first meeting of the season.

Special guests and speakers were William C. Henley, district superintendent, and Richard Gordon, music director. Mrs. Chris Miller, vice-president and program chairman, introduced Mr. Henley who spoke on "The Proposed School Building Program" of the Campbell Union School District. The informative talk was illustrated with sketches and diagrams showing why additional classrooms and schools are needed in the Campbell area. He also exhibited sketches of the proposed Hazelwood School.

Among projects outlined by Henley for the district were: purchase of four more sites, five new schools, build small administrative units for district.

The state allocations board, he said, has given approval of an application for $1,663,588 to help carry out some of the proposed projects, approval being conditional on voters of the district approving a $235,000 bond issue next month to bring the district up to maximum bonded indebtedness.

A letter written by Governor Warren to Mrs. Ray Martin, referring to the San Tomas School building project was read to the members.

Mr. Gordon gave a brief talk on "Promoting Interest in Membership in School Orchestras and Bands" of the Campbell district.

Mr. Shuey complimented the PTA on its fine beginning along its theme for the year, "'Better Cooperation Between Home and School." Parents have already been urged to visit their children's classrooms from 2 to 2:30 p.m. each PTA meeting day this year. Mr. Shuey announced that on a later date there will be group parent conferences and individual report conferences as needed.

Entire faculty of the school was introduced by Shuey and each teacher received a corsage from the PTA.

The PTA presented Mr. Shuey with a check for $100 toward the library fund to purchase classics for the use of the school children.

San Tomas Glee Club, accompanied at the piano by Patricia Freeman, music chairman, sang, "Somewhere a Child is Singing" and "In the Evening by the Moonlight." Solo parts were sung by Marsha Parks and Dorothy Moranti.

Mrs. Ray W. Martin, PTA president, conducted the meeting. Mrs. Chester R. Brott, hospitality chairman, and her committee arranged the meeting. Room Mothers assisted Mrs. Brott as hostesses. PTA colors of yellow and blue were the theme for the table arrangements of yellow chrysanthemums and blue bows.

SMORGASBORD LUNCHEON TO BE SERVED

Women's Service Club of Campbell held its monthly meeting Wednesday afternoon, October 25, at the home of Mrs. Harold Drummond.

Plans were made to serve a smorgasbord luncheon Wednesday, November 1, from 11:30 a.m. to 1:30 p.m. at the Campbell Methodist Church. The public is invited. Co-chairmen are Mrs. J. M. Dahl and Mrs. Guy E. Farley.

During the business meeting, presided over by Mrs. Frank Richardson, Mrs. J. Edgmon and Mrs. Milton Robertson were appointed to represent the club at the Campbell Tree Planting Committee meeting to be held in November.

The group voted to participate in the bazaar to be sponsored by the Methodist Women's Society of Christian Service in December. Mrs. Herbert Binley and Mrs. Wm. Ostermeier were made chairmen of the Food Booth.

REMINDER

Publicity chairmen are reminded again that copy for the Women's Page must be turned in by Wednesday evening. Copy received after Wednesday will be held over until the following week or published elsewhere in the paper, if possible.

Liquid Gold

It means a better living for you . . . for all California

Here's Herman Diekman, head of the Agricultural Department of Lodi Union High School. His job is to turn out tomorrow's successful ranchers and growers. A substantial portion of the funds that support San Joaquin County Schools comes from P. G. and E. taxes. And, P.G. and E., by the way, is California's largest property taxpayer.

Le Roy W. Snyder is a Pump Test Engineer in our Stockton Division. His job is to see that customers' pumping plants deliver the maximum amount of water at the minimum cost. P. G. and E. maintains 9 pump testing crews, saves many thousands of dollars for its customers, makes no charge for the 7000 tests it runs annually.

Irrigation water is California's liquid gold. Pumped onto farm land in P.G. and E. territory it increases average annual per-acre crop values *twenty* times!

This water, electrically pumped, helps grow 231 different crops; it has done much to make agriculture the basic industry of the state, with a gross annual farm income of 2 *billion* dollars. This huge sum flows into the channels of trade, creating jobs and prosperity in the cities as well as on the farms.

Yet, P. G. and E. electric power for irrigation pumping on the farm is so low in cost that, on the average, it constitutes only 3.5% of the farmers' crop production expense. And the rates the average farmer pays—just as the rates *you* pay—are among the lowest in the nation.

Paul Bertoli of Santa Rosa, like thousands of other California truck gardeners, cannot afford to wait for the rains; depends, instead, upon ample low-cost electric power to operate 3 deep-well pumps to flood his acres. So electric power shall continue ample on farm and in city alike, plentiful reserves have already been provided by P.G. and E.'s $800,000,000. postwar expansion program, with still more facilities being built.

Meet Kenneth Peake, dairyman, whose Claravale Guernsey Farm near Los Gatos is famous for its rich dairy products. Low-cost electric power has been a big factor in helping Mr. Peake toward success, as it has thousands of other dairymen, farmers and ranchers. Peake uses almost a dozen electric helpers; even his fence is electric. Yet his average monthly electric bill is only $24. "I don't see how anyone could beat the rates," he says.

ANITA SIMMONS HONOREE AT BRIDE SHOWER

Miss Anita Simmons, soon to become the bride of Ronald W. Flagg, was honored by 20 friends at a shower given for her by Miss Sheila Busack of Campbell recently. The bride-to-be is the daughter of Mr. and Mrs. B. B. Simmons of Flagstaff, Arizona, and formerly of San Jose. Mr. and Mrs. R. J. Flagg of Campbell are the parents of the benedict-elect.

During the evening a mock wedding ceremony was conducted by several of the guests who wore comic outfits. The mock bride, Lorraine Miranda who was attired in a white uniform, gauze veil, high-heeled shoes and bobby sox, and groom, Ruby Stanton, were wed by the imitation minister, Sheila Busack. The attendants were Jean Cascio as bridesmaid wearing a long, yellow gown, and Dorothy Metcalf as best man. The "men" were dressed in business suits, except the mock father of the bride, Mary Lloyd Hollingshead who wore levis, a plaid shirt, boots and hat.

Following the "ceremony" a cake bearing a congratulatory message to the bride-elect and other refreshments were served from a table decorated with lavendar chrysanthemums, muti-colored tuberous begonias and candles.

'Trick Or Book' To Be Heard Hallowe'en Eve

A county-wide "trick or book" will be participated in by the Camp Fire Girls and Bluebirds of Campbell on Hallowe'en night instead of the traditional "trick or treat."

The girls will collect pocket editions of books and magazines which will be given to the Red Cross for distribution to servicemen in the hospitals and on troop ships where there is a great need for reading material.

Those who wish to donate books or magazines and are not contacted may phone Campbell 2117 or 2130 and arrangements will be made to call for them.

Leaders of the local groups which plan to participate are Mrs. H. A. Smith, Mrs. Floyd Nolff and Mrs. Richard Gordon.

Carnival, Official Visit Planned by Netops

Netops Council officers met in the home of Ruth Livingston last evening, with Deputy Great Pocahontas Sarah Cunha of Wanda Council present.

Final instructions in preparation for the forthcoming visit were discussed. Plans for the carnival to be held at the first meeting in November were outlined. The carnival will be open to members of both branches of the order, their families and friends. It will begin promptly at 8 p.m. in the IOOF Hall. The public is invited.

St. Lucy's Club

St. Lucy's Women's Club will meet next Thursday, November 2, at 2:15 p.m. in the parish house. Hostesses will be Mrs. Ambrose Metcalf, Mrs. C. M. McCoy and Mrs. Tony Pimentel.

Ione Williams, Denver Miranda Wed Last Sunday

Denver Benjamin Miranda and Ione H. Williams were married in Campbell Sunday, October 22, at the home of Mr. and Mrs. Ivan Parks, sister and brother-in-law of the bridegroom. Justice of the Peace Martin S. Walsh officiated.

The bride is the daughter of Mr. and Mrs. Dilliard Williams of Heavener, Oklahoma, who were unable to attend the wedding. Mr. and Mrs. Jack Miranda of Campbell are the parents of the bridegroom.

The new Mrs. Miranda was attired in a frost-grey satin dress with matching flowers in her upswept hair. Her dress was accented with black accessories, a rhinestone necklace and an orchid corsage.

Matron of honor was Mrs. Fred Ross of Campbell, sister of the bride. She wore a navy blue knitted suit with black accessories and a corsage of red roses. The bridegroom's mother was attired in a maroon suit set off with grey accessories and a corsage of white carnations.

Best man was Willard Ellis of Campbell.

The couple are now honeymooning at Lake Tahoe. Upon their return they will live on First Street in Campbell until November 4, at which time Mr.. Miranda will report for service in the Army at Fort Ord.

Reformation Sun. To Be Observed At Methodist Church

The Reformation Sunday sermon at the Methodist Church will be given by Rev. L. J. Osborne on the subject, "Basic Protestant Beliefs." Mrs. David Rutherford will play the organ for the service. Mr. and Mrs. Arthur Huff will sing a vocal duet for the worship service.

The youth of the church will meet at 7 o'clock for worship, discussion and recreation. The new officers will be elected and then installed. The Rev. Wayne Kessel, of Gilroy, will conduct the installation service.

Hallowe'en Fete Provides Fun For BPW Members

Board members of the Campbell Business and Professional Women's Club will have their next meeting at the home of President Cecile Schad, corner of Payne and Eden Avenues, on the evening of November 8.

Twenty-five club members gathered in costume Wednesday night at the home of Alleen Cowdery for their annual Hallowe'en fete. Guessing who's who was made difficult by the well carried out masquerade of each member. Guests were Mr. and Mrs. Nelson Cowdery, Dorothy Jenner, Jane Wade, Mary Grim, all of Campbell, Bertha Day of Salinas BP WC.

Success of the evening was due to full cooperation given coordinator Emily McConnell, by the committee which included Jean Atkinson, Mae Greaves, Alice Schmidt, decorations; Gwendolyn Steindorf, Doris Jansen, Edith Andersen, Irene Hodges, games; Hannah Berglund, Marion Hill, Marilyn Kay, refreshments.

Campbell BPW has endorsed the plan of the Campbell Garden Club, Inc., to beautify the community by planting Kwanzan flowering cherry trees. Eva Grattan will represent the group at the Garden Club's open meeting Thursday night, November 9, in the high school little theater.

NETOPS TO GREET GREAT POCAHONTAS

Marcella Rice, Great Pocahontas of the Reservation of California, will pay her official visit this evening to Netops Council, Degree of Pocahontas, in the Campbell IOOF Hall at 8 o'clock.

Past Pocahontas Club will have charge of the evening. Club members are Edith Anderson, Ruth Livingston, Irene Hodges, Veda Folden, Bertha Hindle, Margaret Drew, Vivian Johnson, Alma Fanning and Sharon Parker.

Members of the order are invited to attend.

Youth Officers To Be Installed

Youth officers of the Methodist Church will be installed Sunday evening at 7 o'clock in a special service. Rev. Wayne Kessel, the District Director of the Methodist Youth Fellowship, will be in charge of the installation service. The members of the Gilroy youth fellowship will conduct the worship service and lead the discussion. An hour of recreation will be held in the Social Hall of the church.

High School PTA Executive Meeting

An executive board meeting of the Campbell Union High School Parent-Teacher Association will be held next Tuesday, October 31, at 1:30 p.m. in the office of Superintendent Laurance J. Hill.

CAMP FIRE GIRLS

GUARDIANS MEET

The Campbell Guardians Association of the Bluebirds and Camp Fire Girls met Thursday evening, October 19, at the Scout Hall.

Plans for the "trick or book" project were discussed. The girls will solicit pocket editions of books and magazines Hallowe'en night which will be given to the Red Cross for distribution to servicemen.

Following the meeting, Miss Frances Malefyt, executive director of Camp Fire Girls in this county, gave a demonstration on nature-craft work.

Job's Daughters Halloween Dinner

Job's Daughters of Campbell will have a Hallowe'en dinner Monday evening, October 30, at 6:30 p.m. A canasta party will follow the dinner.

This dinner will be the Senior Princess's project to meet expenses of her coming installation.

The public is invited to attend. Place reservations with either Janet Coombs, Campbell 3567, or Janis Henley, Campbell 3416, before October 28.

An outdoor table and umbrella were presented during the afternoon. The Mesdames R. O. Peterson, Vestal Royce and William C. Henley were in charge of the affair.

MR. AND MRS. GALEN THOMPSON of Woodard Avenue entertained friends of MRS. JOE Keesling in honor of her birthday Friday, October 20. Canasta was the featured entertainment of the evening participated in by the host and hostess, Mr. and Mrs. Joe Keesling, Mr. and Mrs. George Greene of Campbell and Mr. and Mrs. Ray Meuzy of San Jose.

KATHLEEN BERGERON AND VIRGINIA RUTHERFORD, Campbell music teachers, attended a lecture sponsored by the Music Teachers Association Wednesday, October 25, in Palo Alto. This was the first of five lectures to be given on alternate Wednesdays by Dr. William Crosten, head of the music department at Stanford University, on "Interpretation of the Music of Various Composers."

The fourth birthday of BRUCE RUTHERFORD was observed at a party given for him by his parents, Mr. and Mrs. David Rutherford, Sunday afternoon, October 22. Thirty-one children joined with him in playing on his new swings and other playthings. Ice cream and cake were served.

MR. AND MRS. R. M. MAGNUSON of Campbell became the proud grandparents of Johanna Rea Magnuson Saturday, October 14. She is the first child of Mr. and Mrs. Robert Magnuson of San Jose.

MR. AND MRS. W. C. BRYANT returned to Campbell yesterday at the conclusion of their six weeks' tour which took them as far east as Kentucky. The Bryants covered 7500 miles, visited 17 states, and are preparing to set off on another trip in a few days. This time they will head for Nevada and sunshine. Later they will go to Phoenix, Arizona, for the winter. Mrs. Bryant is showing slow but steady recovery from her accident injuries of more than a year ago.

POSTMASTER'S SON

Postmaster and Mrs. Ira C. Grim have received word from their son, Corporal R. Merrill Grim, with the First Marine Division off Korea. He reports progress of the U.N. forces in their march through North Korea, and wonders where he will go next:

The letter follows:

USS Mt. McKinley
October 20

Dear Folks:

We're here off of Wonsan, today, and there is some question as to whether we'll get off here or not. We were supposed to land today, but it never happened—so maybe we'll go back to Japan. The capture of Pyongyang, pronounced "Pyang" probably had a lot to do with it, as I think we were supposed to help take it from this end. We passed through a great many mine fields coming up here, and it was sure ticklish going! There is estimated to be some 1000 mines out here, and so far, only 300 or so have been destroyed! Outside of them, there isn't much else to worry about if we land here though, as the ROK's passed through here a couple of days ago and cleaned things up pretty well. They are about 100 miles north of us now, the other side of Nangnann and Tangang, or whatever their names are.

It sure is cold here and I wouldn't be surprised to see snow pretty soon.

Love

San Tomas Troop Has Emergency Camp Practice

An emergency mobilization practice was held by Boy Scouts of Troop 30, San Tomas, October 20. The boy scouts assembled at the school with packs and were met by troop committeemen who took them to Stuart Scout Camp above Saratoga. The boys set up camp and prepared for an active weekend program, starting with a short campfire and star study that night.

The following members of Troop 30 were present: Ben J. Yates, SPL; Chester Fry, Dick Mills, Floyd Epperson, Jerry Lawrence, Kent Vice, Jerry Long, Donald Hunter, James Yates, Kenneth Wilson, Ray Martin, Gary Carothers, William Koeritzer, Scoutmaster Harry Hunter and Committemen Eric Shart and Kenneth Wilson.

Two other troops, No. 55 from Los Gatos, and No. 16 of Alum Rock, joined the San Tomas boys in camp on Saturday.

All scouts gathered in the camp chapel grove for a short Sunday service then proceeded with the day's activities. After lunch the boys cleaned up camp and left for home.

Scout Committee To Renew Efforts For Expansion

Harry Todd represented the Campbell area at the meeting of the Organiaztion and Extension committee of the Santa Clara County Council, Boy Scouts of America, October 18. Accomplishments of the committee since the first of the year and future plans were reviewed.

Chairman Vinton H. Matthews pointed out that the main problem, as far as organization is concerned, is how to meet the goal of new units which the various districts have set for themselves. Matthews explained that it is important to renew the group's efforts to reach a goal of new units to keep scouting growth in this area up to the potential in boys who want and are asking for scouting.

According to the chairmen, many new packs and troops have been added since January, but an intensive effort will be made by his committee with the help of the scout commissioner's staff to reach the goal by December 15. The organizers and commissioners will team up to approach prospective unit sponsors and offer them all the help they need to establish their pack, troop or explorer unit.

Scout Ned Gault Speaks Tonight Of Valley Forge Trip

Ned Gault, San Tomas Boy Scout and a member of San Tomas Scout Troop 30, gave an account of his experiences on his trip to the Valley Forge Jamboree when he spoke Friday before the San Tomas Men's Club. The meeting was held in the San Tomas School at 7:30 p.m.

Ned, who was one of 47,000 scouts to make the trip, was chosen for his achievements in scout work. He has an interesting story to tell and exhibited slides covering the trip and showing activities of the boys while at the camp.

Harry Hunter, scoutmaster of the troop, was chairman of interesting program for the evening and also presented additional entertainment by other scouts.

Men of San Tomas area were invited to attend the meeting. Walter Thurber, club president, conducted the meeting.

DISTRICT SCHOOLS ADD SPEECH TO CURRICULA

The speech program, now entering its fourth year in operation in Santa Clara County, has been added to the curriculum of several more schqol districts this year. Cambrian, Moreland and Almaden school districts now provide this program with Mrs. Lauretta Hall in charge.

Mrs. Edabelle Little is now in charge of the Campbell program, replacing Mrs. B. Aten who has a new teaching assignment in Modesto.

Children with physical defects in their tongues and vocal chords, cleft palate cases and children with nervous disorders causing stuttering and stammering are helped to attain normal speech by the directors of this program.

This program which provides aid for children with speech difficulties has expanded rapidly since it was first started in Santa Clara County. Last year 812 children received help which was an increase of 420 over the preceding year.

The average number of cases for each district in this county is 163 and in some instances exceeds 200. The State Department recommends that in an effective program the number of cases be limited to 100.

With the continued expansion of this program additional speech therapists will be necessary.

Virginia Bese Elected State FHA President

Virginia Bese, Campbell high school junior, was elected California president of the Future Homemakers of America at the annual state convention recently at Asilomar. Approximately 600 girls and their advisors attended the convention.

The four candidates for the presidency this year were chosen from Section 6 which extends from King City to Half Moon Bay. As there are twelve sections, this was the only chance in twelve years that Campbell FFA members will have to present candidates.

A roundtable group led by Miss Flora Thurston, consultant of Family Life Education in Long Beach City Schools, discussed "Families Together." Various phases of family life and unity were emphasized.

After being introduced to the convention by Joanne Kline who gave the Campbell candidates' qualifications, Miss Bese presented her talk on "Families Together" in competition with the other candidates.

A banquet and entertainment were provided for the convention through the courtesy of the Sears-Roebuck Foundation. Following this, the officers were installed in a candle-lit ceremony.

The Future Homemakers of America is a national organization of girls interested in home economics. In California there are 156 chapters and over 400 members.

November 12 to 18 is to be proclaimed Future Homemakers of America Week. Plans are being made by the Campbell FHA chapter for special activities and programs to be presented during the observance of this week.

Lassen County, named for Peter Lassen, a pioneer settler, was created in 1864.

Educators Hear Dr. Gordon Speak

Members of the Alpha Omega Field Chapter of Phi Delta Kappa, honorary educational society, held their first meeting of the year at the Campbell high school Thursday evening, October 19.

Guest speaker was Dr. Walton Gordon, principal of Roosevelt Junior High School in San Jose. He formerly was principal of a school in Hawaii and spoke on the Hawaiian educational program.

Following the meeting a dinner was served for the group by members of the Women's Society of Christian Service of the Campbell Methodist Church.

REV. C. BUFANO TRANSFERRED TO OAKDALE DISTRICT

The Rev. Caesar Bufano, pastor of the Seventh Day Adventist Church of Campbell, has been transferred to a district pastorate near Modesto, Mr. Bufano announced recently. He and his family will leave November 1 for Oakdale district where the pastor will continue his work for the church.

Local elders of the Campbell church will carry on for the time being.

Rev. Bufano came to Campbell from Fresno two and a half years ago. For the past two years he has been president of the Ministerial Association of Campbell.

Since coming here, the pastor has dedicated the new church at Fourth and Rincon Streets. A parochial school for the first through eighth grades, is now in process of completion on W. Rincon Avenue near Milton Avenue.

Mr. and Mrs. Bufano have a daughter, Faith, now attending the Pacific Union College of the Seventh Day Adventist Church, near St. Helena.

CTA Criticizes Four-Quarter Plan For State Schools

The four-quarter plan for California schools, which has been suggested by the State Senate Committee on School House Financing as a possible solution to overcrowding and rising operational costs came in for criticism by Campbell Teachers Association at a meeting last week.

Though the association was not against the principle of more complete utilization of school plants during summer months, it did object to a claim of the plan which, according to a recent local newspaper article, would reduce operational costs "... inasmuch as teachers are paid on an annual basis but actually work 9 months."

The Association felt there was a misunderstanding on the manner in which teachers salaries are paid. After discussion, a letter written by members to Senator Chris N. Jesperson, chairman of the Senate Committee, was endorsed by the group. In part the letter said "..we point out that we are paid for ten months of teaching over a twelve-month period. Other districts pay their teachers just ten times during the year, thus ending any possibility of such misunderstandings as formed the basis for the statement above."

If a four-quarter plan were put into effect, the letter said, teachers' salaries would have to be raised to compensate for extra work.

A further objection against the plan was that the teacher, if asked to teach twelve months would have little opportunity to take extra college courses or carry out equivalent summer activities making for professional growth. Many school districts, the letter said, base salary schedules and yearly increments on professional growth.

Bucs Clash With Unbeaten Santa Clara

Local Eleven Eager To Soil Spotless Panthers Tonight; Estrada To Play

It will be the case of extremes tonight—David versus Goliath—when the winless Campbell Bucs do battle royal with the unbeaten power of Santa Clara high.

Boasting one of their more potent elevens, the Panthers play host to a luckless Buc squad at Townsend Field, Sana Clara.

Odds-on favorites to capture their fourth SCVAL title this season, the missionmen have three league wins thus far. Plus one extra-curricular warm-up.

Campbell's log is knotted in complete reverse. Besieged by injuries, ill-fortune and lack of a strong bench, Coach Jim Muir's crew has dropped four straight this season. Three of these loses have cellared them to the bottom of the ladder in league play.

Despite the fact that the Panthers are designated to win by many a point, the Bucs are in a good spot to shake some tar loose from Santa Clara's championship road.

The local clan is out for claret in more ways than one. Primarily because they let San Jose Tech trounce them, 20 to 6, last Friday evening.

Muir said the lads were suffering from a mental let-down sustained in the Washington fray. The Bucs won everything in sight including the statistics but forgot to outscore the Huskies.

Consequently the Tech fiasco proved as such to the Muirmen. Now that the ball is on the other bench (Santa Clara's) the Bucs are even more determined to justify their lackadaisical play against SJ.

Adding to Campbell's slim hope of irking the Panther no end is the report that Santa Clara is in the midst of an extended injury jinx. This week, it was discovered that halfback Bart Sepulveda cracked his collarbone Friday night. A similar injury sidelined Al Cmarlinghi, stellar back, earlier this season.

Utilizing the "T" formation the Panthers rely chiefly on a speedy, versatile running attack. Their passing game, though not mediocre in any sense, plays second fiddle definitely to the ground grinding.

Up front the Buc line, per usual, will be outmanned and overbeefed. Give or take a few pounds, the locals will spot the loop-leaders some 10 pounds a man. In fact, only one TD has been scored against SC, indicative of their defensive line play.

John Perata, first-string quarterback, has been named game captain by his mates.

One bit of news that must have caused the coaching staff to smile in spite of everything was the announcement that Saul Estrada, one of the Bucs' two fine starting ends, will be available for duty tonight.

This will mark Saul's first game since the year's opener against Lincoln when he dislocated a shoulder.

Wait, all is not too rosy, physically speaking. Andy David, top tackle, is favoring a delicate charley horse. At this writing the limb is tender though not serious.

For the fourth consecutive game, John Hoover managed to get hurt. The lanky flanker suffered a bump on the head that temporarily benched him. But Muir reports that the oft-lame youth will be in the starting line-up.

Dick Gleed who is expected to see plenty of line play tonight also has been under the weather all week long.

Following are the scoring plays of the Buc-Tiger tilt:

Midway in the second quarter Campbell scored their first and only touchdown. Attempting to punt the Tech kicker fumbled the pass from center and Campbell recovered on the SJ 10-yard line. On the following play Perata tossed a pass to Frank Calabray in the end zone for six points. Bucs 6 - Tigers 0.

Unable to stand prosperity the Bucs collapsed in the second half.

Intercepting a Buc pass at mid field the Tigers put forth a prolonged attack that found quarterback Don Boggini cracking over center from seven yards out for a TD. The try for point was good. Tigers 7-Bucs 6.

Just before the third period ended the visitors extended their lead when fullback George Silvera broke over the middle of the line and sprinted 65 yards and another TD. Kick was good. Tigers 14-Bucs 6.

Still dormant the Bucs punted to the Tigers early in the final quarter. Don Bun, Tech back, took a pitchout on his 19-yard line and sprinted to the Buc two-yard line . . . A 79-yard jaunt, no less. On the next play Silvera bucked over. Try for point no good. Final score: **Tigers 20, Bucs 6.**

JV Eleven Idle; Rains To Blame

A football game, an outdoor athletic contest that allegedly is played in all inclement weather, was cancelled yesterday at the local gridlake.

The tentatively-scheduled tilt between the Campbell junior varsity and the San Lorenzo crew was postponed indefinitely due to moist atmosphere.

Unbeaten and unscarred so far this season, the Bucbabes play host to the Bellarmine babes Thursday, Nov. 2 at the Campbell field.

BASKETBALL RESULTS

SILVER LINING . . . Take every rain drop that has fallen on Santa Clara county this past week, add the number of leaves in Orchard City and multiply both by total number of fans that saw the ball games on TV this summer. The ultimate total will fall far short of the amount of woes and blues beseeching Bob Bronzan, football mentor at San Jose State college.

With injuries sticking their unwanted wares upon too many gridmen, not to mention the several men who dropped the team, through the invitation of Bronzan, the only smile visible around Spartaville is the one flashed by Walt McPherson, when watching his basketball team in practice.

About the one and only bright ray of light upon the eclipsed football scene is the stellar end play of Billy Wilson, bad wrist tricky ankle, et al.

While the "big" papers daily sing the praises of the McColls, Wilkinsons, and Van Alstynes, the "Snuffer," pride of Campbell high, is quietly but effectively proving his worth as one of the better flankers on the Pacific coast.

Thus far in five games, Wilson has not been outplayed by any opposing end, McColl included. Injured in the season's opener against Stanford, Wilson has been active enough to lead SJS in pass receiving and stand a close second in points scored.

According to statistics released yesterday by Danny Hill, athletic news director at state, the Spartan passing attack has neted 496 yards through 31 completions. Wilson has been on the receiving end of 13 of those 31 tosses. And he has practically equalled the entire team in yardage gained. He has amassed 220 yards, being gracious enough to leave the other 276 yards for his mates.

At this rate he should better Junior Morgan's mark of 25 passes caught last season. With five games remaining the Snuffer needs only to snag another 13 heaves.

Three touchdowns have been scored through the air with Wilson, All-SCVAL end in 1944, tallying two of them. Only Harry Beck, potent fullback, has scored more times than Wilson. Beck, banged up as frequently as Wilson, has three TD's to his credit.

In last Friday's game against USF at Kezar stadium, Wilson gave the Bay area writers a glimpse of his defensive ability also.

Ollie Matson, the Dons' fair-to-middlin' fullback averaged 6 yards plus in some 20 tries. And most of his gains were on wide end sweeps. Yet when they deciphered all the statistic hieroglyphics, the speed merchant wound up with a minus total when skirting (or trying to) Wilson's flank.

Tough luck or not, Wilson has more than justified the "small" amount of pre-season ambitious drum-beating prognostication sent his way.

It will be interesting to note how he ranks with the other alleged top-flight ends come the end of grid activities.

INGENUITY PLUS . . . Wasn't it Samuel S. Clemens who stated everyone talks about the weather but no one does anything? Well, the old boy should have dropped in at the local high school this week during one gym period.

With all that rain making outdoor athletic activity impossible, the boys and girls gym classes had to be conducted inside.

Off hand one would think some 150 students would find the local gym a little small in which to gather, let alone engage in any sports.

But the Physical Education staffs should be complimented no end for their foresight and on-the-spur inventiveness.

We happened to drop in at the local institution of Larnin' as a gym period was called to order.

Out of a bevy of swarming students, particularly the boys,

Intramural Track Meet Opens Next Week With Trials

Trial eliminations in the first annual Intramural Track meet start next week at Campbell high.

Five physical education classes, competing as individual teams, will vie for top honors in relay races to be run during the noon hour.

This athletic innovation, under the direction of Junior Morgan, will find preliminary heats held to determine ultimate finalists in all divisions.

The program includes the following events; the sprints, distance relay (110-220-440-880 yards), discus in relay form, shuttle-hurdle relay, hop-step-jump relay and shot put relay.

The meet will last the entire semester, enabling all the boys to participate eventually. Assisting Morgan is Bert Robinson of the PE staff.

Democrats Criticize Mrs. Douglas' Record Of Communist Line Support

"As a Democratic candidate, Helen Douglas is a liability to our Party and our American way of life," Mrs. Marion Lynn, a life-long Democrat of Los Angeles, who has served on both the State and County Central Committees of the Democratic Party, declared today.

"Mrs. Douglas has always been a glib talker, but in other years when there was real work to be done by the Democratic Party, she was always somewhere else," Mrs. Lynn said.

"American democracy is dear to me because the members of my family have fought to preserve it in the Revolutionary, Civil and World Wars. I lost my only son in World War II and it grieves me as it must thousands of other mothers, when a candidate for high office follows a course that aids Communist infiltration and aggression.

"Mrs. Douglas' political fortunes are revealed at a new all-time low by the name-calling to which she is now resorting," Mrs. Lynn continued. "Instead of fanning the fires of prejudice and name calling she could make a genuine contribution to the welfare of the country that has been good to her by stating frankly the problems the nation faces and then proposing plans which she considers best to solve them.

"Instead she charges that all who have not followed her comform-to-the-Communist line are trying 'to fool the American people. Who is she trying to fool, when her records in Congress established that she has been consistently out of step with the leadership of the Democratic Party on matters of social security? Certainly her tactics demonstrate that little respect she has for the intelligence of the men and women she is asking to vote for her.

"Her allegation that those opposing her are 'sabotaging the American program of resistance to Communist aggression,' is ridiculous in view of her many votes in support of the Communist Party line. Let her explain how she became the heroine of the Communists as their newspaper, the New York Daily Worker, has proclaimed her.

"There are those who have wondered why she has voted the party line consistently. They have asked, was she taken in, or, is she emotionally unstable? Now we have the answer, and it comes from none other than the Vice-President of the United States, Alben Barkley, who said, 'I am sure she voted her conscientious convictions.' Then at long last Helen Douglas' reason for voting 354 times with the notorious Communist party-liner, Vito Marcantonio, is established.

"Demonstrating that she is the apple of Communist eyes is the fact that they have labeled her opponent, Congressman Richard Nixon, as 'the man to beat.' If any person doubts where California Communists stand, let him ask anyone of them who he is going to vote for, Helen Douglas or Richard Nixon."

EARL ROMINE FINED $100

Earl Romine, 49 Gilman Avenue, Campbell, a truck driver, was fined $100 on a charge of drunk driving Wednesday by Campbell Justice of the Peace Martin S. Walsh. Romine was arrested last week on Winchester Road at Campbell Avenue. This was his first offense.

Allen Alexander Fined For Drunk Driving

Allen Alexander, 287 N. Third Street, San Jose, was fined $200 by Justice of the Peace Martin S. Walsh of Campbell this week. Alexander, charged with drunk driving by California Highway Patrol officer John Johansson, was arrested in front of the County Hospital on October 4. The San Jose man's drivers license was suspended for one year on order of Judge Walsh.

Coaches Jim Muir and George Armstrong assembled a class of organized activity. And to add further proof of their ingenuity the class enjoyed themselves no end.

The boys were concentrated at one end of the gym with the girls claiming the other. Being shy (and also uninvited) we did not meander to no-man's land. We watched as the coaches, with the aid of four basketballs, devised various games that called for skill, speed, dexterity, and above all, heated competition.

For example one particularly humorous event will prove our contention:

The group of boys were divided into four teams. They were lined up at one end of the gym. At a given signal one boy would wheelbarrow his way across the floor with his team-mate holding his ankles. Here's the gimmick that enlivened the show, but for sure. Before the boys scrambled toward the other side, a basketball was placed between the legs of the lads doing the wheel-barrowing. Every few feet, if they became too eager, the balls would meander off into opposite directions.

Once at the other side, one boy would attempt to sink a basket while his cohort did push-ups. Sounds simple? Ah, yes, but don't forget with four boys shooting four balls at the same basket at the same time something has to give . . . It did, as balls went flying in all umptteen ways. Upon sinking a bucket the same procedure was repeated on the way back to the starting point.

It would be a masterpiece of understatement to say that the class enjoyed itself . . . Judging from the yells of encouragement and excitement one would think the Bucs won a football game.

Record List For Grand National

An all-time record livestock entry list has been chalked up for the 1950 Grand National, it was announced yesterday by Porter Sesnon, president of the gigantic "Show of National Championships."

As the deadline on entries passed, 3,358 head of the country's finest beef and dairy cattle, sheep and swine had been entered in the nation's top animal classic which roars into San Francisco's Cow Palace October 27 for a ten day runu.

The Grand National is a spectacular combination of livestock exposition, International Rodeo Association Championship Finals, million-dollar horse show and the nation's top arena specialty acts.

From the Atlantic to the Pacific and from Oregon to Texas, the livestock entries will come to compete for $88,701 in cash premiums being offered in the livestock division alone. Total premiums for the exposition are $148,701 with $35,000 up for competition in the rodeo championships and $25,000 in the horse show.

Exhibitors from the following 19 states will show livestock: Arizona, California, Colorado, Idaho, Illinois, Indiana, Iowa, Kansas, Missouri, Montana, Nebraska, Nevada, New Jersey, New Mexico, Oregon, Texas, Utah, Washington, Wyoming.

Beef cattle led the entry list with an even 1,400 animals entered. There will be 485 dairy cattle, 71 dual purpose cattle, 813 head of swine and 589 head of sheep.

Men's Club Offers Outstanding Film On Sierra Wildlife

All local outdoor sportsmen are urged to attend the meeting of the San Tomas Men's club, Friday evening, Nov. 3, at the San Tomas school.

One of the most outstanding fish and game films ever screened will be shown to all the fortunate ones present. Competent daily newspapers acclaim "Sierra Fish and Game" as one of the finest of its kind, if not the finest.

Filmed by the P.G.&E., the full-colored movie augmented by actual sound depicts the beauty and wonder of the Sierras and their inhabitants.

Amazing shots of trout, salmon, steelheads and various other fish swimming in their natural habitat are only a part of the film. Spectacular scenes showing deer, wild ducks and geese in full flight add to the splendor that makes this movie "A-1."

President of the Men's club, Walter O. Thurber, warned that this movie, due to its demand, will not be shown in this area for some time. . . . A word to the wise is 'nuff said.

Paul F. Jehanne, Native Of France, Succumbs Here

Paul F. Jehanne, 52, of 26 Hamilton Avenue, Campbell, died in his sleep October 16. He was a native of Normandy, France, and the husband of Jeanne Jehanne.

Funeral services were conducted Saturday in San Jose. The Rev. C. E. Winters officiated. Private cremation followed.

Mr. and Mrs. Jehanne came to this country in 1920, and have lived in California for the past 25 years. Five years ago they moved to Campbell and Mr. Jehanne, a pastry cook, was employed at the County Hospital. He was forced to retire from regular employment four years ago, due to a heart ailment.

TAXES ARE PAYABLE

For the Fiscal Year 1950-1951

For the Information of Santa Clara County Taxpayers, the Following are Important Details Concerning Taxes for the Current Year.

THE FIRST INSTALLMENT

of taxes, which includes one-half of the total tax on all Personal Property secured by Real Estate, and one-half of the total tax on all Real Property, becomes due on November 1, 1950 and is delinquent on December 5, 1950, after which time a penalty of 6 percent is added.

THE SECOND INSTALLMENT

comprising the remaining one-half of the tax on all Personal Property secured by Real Estate and one-half of the total tax on all Real Property, is due on January 20, 1951, and becomes delinquent on April 20, 1951, after which time a further penalty of 6 percent and costs is added to all unpaid taxes.

BOTH INSTALLMENTS

of taxes may be paid in one remittance with the First Installment, if desired.

All Taxes May be Paid
at any time after receiving your Tax Bill
On and After October 30, 1950.
